- Contractors! Receive a \$10.00 per zone rebate when you purchase qualifying Braeburn digital thermostats with any purchase of Braeburn residential zone controller panels and dampers from an authorized Braeburn distributor.
- Braeburn mechanical and “NC” digital thermostats do not qualify for this rebate.
- Contractors must purchase the qualifying Braeburn digital thermostats at the same time as the zone panel and dampers. A distributor invoice showing the combined purchase of qualifying products is acceptable. As long as the invoices show the same date, separate invoices are acceptable.
- Mail us a copy of the qualifying invoices with this completed claim form available on our website at www.braeburnonline.com or from our local distributor. Please allow 6-8 weeks for payment.
- Contractor product rebate must be claimed within 12 months of purchase date.
- Contractor promotion subject to change without notice.
- For more information, please visit www.braeburnonline.com or call our sales department Toll-Free at 866.268.5599.
